

## Welcome to Quincy, The Gem City on the Mississippi

**Driving Directions- From Chicago** take 55 S to Springfield. South of Bloomington at Funk's Grove (exit 149) is a rest-stop that my father designed. In Springfield take 72 W to 172 towards Quincy. Once there, get off at the Broadway exit and turn left into town.

**Driving Directions – From St. Louis** take Route 61 North. Once in Hannibal, cross the river into Illinois and proceed on 72 E/36 E. Switch over to 172 North towards Quincy, get off at the Broadway exit, and turn left into town.

**Directions to The Villa Kathrine:** The wedding will be held on Sunday, September 5<sup>th</sup>, 2010, at four o'clock in the afternoon, at the [Villa Kathrine](#). To get there, head west on Broadway to North 3<sup>rd</sup> Street. Turn left and proceed south until you pass State Street (slightly less than a mile). Turn right into The Villa Kathrine.

**Amtrak schedule from Chicago to Quincy** can be found at [Amtrak.com](#). The Amtrak Illinois Zephyr is a faster and very comfortable option to driving. It services Quincy twice a day and is surprisingly easy. The Quincy station is relatively far from downtown; contact the hotels for transportation information or take a cab. Diamond Cab can be reached at 217-222-6820; fare to the Hampton Inn is \$12-\$15 plus tax.

**Hotel information-** We have group rates for \$90/night at the Stony Creek Inn (at 217-223-2255 at 3809 Broadway) or for \$79/night at the Hampton Inn (217-224-8378 at 225 S 4<sup>th</sup> St).

**Make it a Vacation!** - Stop in **Springfield** for a famous "horseshoe sandwich" or see the Lincoln sites - [visit-springfieldillinois.com](#). Go north to **Nauvoo** & experience the restored village, as it was when the Mormons first settled it - [beautifulnauvoo.com](#). Cross the "old-muddy" **Mississippi River** & head over to **Hannibal** to see the locations & cave that inspired the Tom Sawyer books - [visithannibal.com](#). Consider even driving down to **Saint Louis** to enjoy the Gateway Arch or Grant's Farm - [explorestlouis.com](#). Or you simply stay in **Quincy** & enjoy our local sites; from the mansion of the twelfth Governor of IL, John Wood, to a walking tour of my East End neighborhood, filled with turn of the century mansions (and one Lustron house too!) Get many other ideas at [seequincy.com](#).

**Sept 4<sup>th</sup>**- Everyone who is in town on Saturday is invited to stop by my parents' house at 1866 Grove Ave for a light supper & informal gathering the night before the wedding. Festivities start at 5PM. Please contact me at 708-646-8457 or my mother Liz at 217-222-5295 for directions or any questions.

**Below is a link to an interactive map with has all of this information and more:**
